News Release

COPPER FOX ANNOUNCES COMMUNICATION AGREEMENT WITH TAHLTAN CENTRAL GOVERNMENT ON EAGLEHEAD PROJECT

Vancouver, British Columbia – September 14, 2017. Copper Fox Metals Inc. (“**Copper Fox**” or the “**Company**”) (TSX-V: CUU – OTC: CPFXF) is pleased to announce that Carmax Mining Corp. (“**Carmax**”) (TSXV: CXM) has executed a communications agreement with the Tahltan Central Government related to the Eaglehead copper project. The communication agreement provides for among other things; ongoing discussions, presentations, sponsorships and employment opportunities.

Elmer B. Stewart, President and CEO of Copper Fox stated, “Copper Fox is pleased to have played a part in developing the relationship between the Tahltan Central Government and Carmax. This agreement is the first step in providing for ongoing meaningful communication between Carmax and the leadership and members of the Tahltan First Nation with respect to current and future activities performed by Carmax within the traditional territory of the Tahltan First Nation”.

Copper Fox, through its wholly owned subsidiary Northern Fox Copper Inc., owns 65.4% of the issued shares of Carmax. Carmax is the registered owner of the Eaglehead project.

About Copper Fox

Copper Fox is a Tier 1 Canadian resource company listed on the TSX Venture Exchange (TSX-V: CUU) focused on copper exploration and development in Canada and the United States. The principal assets of Copper Fox and its wholly owned Canadian and United States subsidiaries, being Northern Fox Copper Inc. and Desert Fox Copper Inc., are the 25% interest in the Schaft Creek Joint Venture with Teck Resources Limited on the Schaft Creek copper-gold-molybdenum-silver project located in northwestern British Columbia and a 100% ownership of the Van Dyke oxide copper project located in Miami, Arizona. For more information on Copper Fox’s other mineral properties and investments visit the Company’s website at <http://www.copperfoxmetals.com>.

Cautionary Note Regarding Forward-Looking Information

This news release contains “forward-looking information” within the meaning of the Canadian securities laws. Forward-looking information is generally identifiable by use of the words “believes,” “may,” “plans,” “will,” “anticipates,” “intends,” “budgets,” “could,” “estimates,” “expects,” “forecasts,” “projects” and similar expressions, and the negative of such expressions. Forward-looking information in this news release include statements about: communication agreement with the Tahltan Central Government and the possibility of further exploration activities on the Eaglehead project. Information concerning exploration potential also may be deemed to be forward-looking information in that it reflects a prediction of the mineralization that would be encountered by further successful exploration.

In connection with the forward-looking information contained in this news release, Copper Fox and its subsidiaries have made numerous assumptions, regarding, among other things: the geological, financial and economic advice that Copper Fox has received is reliable and is based upon practices and methodologies which are consistent with industry standards. While Copper Fox considers these assumptions to be reasonable, these assumptions are inherently subject to significant uncertainties and contingencies. Additionally, there are known and unknown risk factors which could cause Copper Fox’s actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information contained herein. Known risk factors include, among others: that the communication agreement may not be implement as intended or at all; the possibility that future exploration on the Eaglehead project may not occur on a timely basis, or at all; fluctuations in copper and other commodity prices and currency exchange rates; uncertainties relating to interpretation of drill results and the geology, continuity and grade of mineral deposits; uncertainty of estimates of capital and operating costs, recovery rates, and estimated economic return; the need to obtain additional financing to develop properties and uncertainty as to the availability and terms of future financing; the possibility of delay in exploration or development programs or in construction projects and uncertainty of meeting anticipated program milestones; uncertainty as to timely availability of permits and other governmental approvals

A more complete discussion of the risks and uncertainties facing Copper Fox is disclosed in Copper Fox's continuous disclosure filings with Canadian securities regulatory authorities at www.sedar.com. All forward-looking information herein is qualified in its entirety by this cautionary statement, and Copper Fox disclaims any obligation to revise or update any such forward-looking information or to publicly announce the result of any revisions to any of the forward-looking information contained herein to reflect future results, events or developments, except as required by law.
