

**COPPER FOX ANNOUNCES CLOSING OF THE SECOND TRANCHE
OF ITS NON-BROKERED PRIVATE PLACEMENT**

Calgary, Alberta – December 29, 2015 – Copper Fox Metals Inc. (“Copper Fox” or the “Company”)(TSX-Venture: CUU) announced today that the Company has completed the second and final tranche of its previously announced non-brokered private placement (the “Offering”) raising gross proceeds in the second tranche of \$999,999.84 in flow-through funds from the issuance and sale of 5,882,352 flow-through common shares at a price of \$0.17 per flow-through share and \$74,999.86 from the issuance and sale of 576,922 common shares at a price of \$0.13 per common share.

Taken together with the first tranche of the Offering which closed on December 21, 2015, the Company raised aggregate gross proceeds in the Offering of \$1,499,999.76 (the “Flow-Through Funds”) from the issuance and sale of 8,823,528 flow-through common shares at a price of \$0.17 per flow-through share and \$74,999.86 (the “Non-Flow-Through Funds”) from the issuance and sale of 576,922 common shares on a non-flow through basis at a price of \$0.13 per common share. The flow-through common shares are 100% eligible for “Canadian exploration expenses” (CEE) as defined by the *Income Tax Act* (Canada).

The Company paid an aggregate finder’s fee of \$78,749.98 for the Offering to Secutor Capital Management Corp., representing 5% of the gross proceeds raised in the Offering.

In accordance with applicable securities legislation, the securities issued pursuant to the Offering are subject to a hold period of four months plus one day from the date of the completion of each respective tranche of the Offering.

The Flow-Through Funds generated from the Offering will be used by Copper Fox to subscribe for flow-through common shares in its wholly-owned, direct subsidiary Northern Fox Copper Inc. (“Northern Fox”), which will in turn use the Flow-Through Funds to subscribe for flow-through common shares in its partially-owned, direct subsidiary Carmax Mining Corp. (“Carmax”)(TSX-Venture: CXM) through a subsequent private placement in Carmax (the “Carmax Private Placement”). Carmax will use the Flow-Through Funds to incur Canadian exploration expenses on its Eaglehead Project located in northwestern British Columbia during the 2016 calendar year.

The Carmax Private Placement constitutes a “Related Party Transaction” under Policy 5.9 of the TSX Venture Exchange which adopts Multilateral Instrument 61-101 (“MI 61-101”) as a policy of the TSX Venture Exchange. Copper Fox intends to rely on the exemption from the application of MI 61-101 provided for in Section 5.1(g) of the instrument (downstream transactions). In addition, Carmax intends to rely on the exemptions from the valuation requirement and minority security holder approval requirements in Sections 5.5(c) (distribution of securities for cash) and 5.7(b) (fair market value not more than \$2,500,000) of MI 61-101, respectively.

The Non-Flow-Through Funds will be used by Copper Fox to fund working capital and for general corporate purposes.

The Offering remains subject to the final approval of the TSX Venture Exchange.

About Copper Fox

Copper Fox is a Tier 1 Canadian resource company listed on the TSX Venture Exchange (TSX-V: CUU) focused on copper in Canada and the United States with offices in Calgary, Alberta and Miami, Arizona.

Copper Fox has four primary assets with associated resources and reserves as noted below:

- a) 25% interest in the Schaft Creek Joint Venture with Teck Resources Limited on the Schaft Creek copper-gold-molybdenum-silver project located in northwestern British Columbia.
- b) 100% ownership of the Van Dyke oxide copper project located in Miami, Arizona.
- c) 50.97% of the shares of Carmax Mining Corp. who in turn own 100% of the Eaglehead copper-molybdenum-gold project located in northern British Columbia.
- d) 100% ownership of the Sombrero Butte copper project located east of Mammoth, Arizona.

Cautionary Note Regarding Forward-Looking Information

This news release contains "forward-looking information" within the meaning of the Canadian securities laws. Forward-looking information is generally identifiable by use of the words "believes," "may," "plans," "will," "anticipates," "intends," "budgets", "could", "estimates", "expects", "forecasts", "projects" and similar expressions, and the negative of such expressions. Forward-looking information in this news release include, without limitation, statements about: the expected use of the proceeds from the Offering; the Carmax Private Placement; and the exemptions in MI 61-101 intended to be relied upon by Copper Fox and Carmax.

In connection with the forward-looking information contained in this news release, Copper Fox and its subsidiaries have made numerous assumptions. Additionally, there are known and unknown risk factors which could cause Copper Fox's actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information contained herein.

Known risk factors include the possibility that: final approval for the Offering will not be obtained from the TSX Venture Exchange; the Carmax Offering will not complete at time or in the amount expected, or at all; the exemptions intended to be relied upon by Copper Fox and Carmax in MI 61-101 may not be available; and

Carmax may not incur the necessary Canadian exploration expenses within the time required under the *Income Tax Act* (Canada).

A more complete discussion of the risks and uncertainties facing Copper Fox is disclosed in Copper Fox's continuous disclosure filings with Canadian securities regulatory authorities at www.sedar.com. All forward-looking information herein is qualified in its entirety by this cautionary statement, and Copper Fox disclaims any obligation to revise or update any such forward-looking information or to publicly announce the result of any revisions to any of the forward-looking information contained herein to reflect future results, events or developments, except as required by law.
